Career Information

Do you need any certifications outside of a degree for this position?

CPA (Certified Public Accountant).

What does the average day look like for this position?

A typical day in Accounting would be looking at various statements, analyzing them, and looking into any changes. Towards the end of the month, our day-to-day work also includes analyzing monthly financial statements, making any corrections or adjustments, and finalizing the monthly information. The fun part is getting to see and understand how all the money works in the Aquarium.
